**JAGANNATH GUPTA INSTITUTE OF MEDICAL SCIENCES & HOSPITAL**  
(A unit of Urmila Devi Jagannath Gupta Charitable Trust)

**CONTINUING MEDICAL EDUCATION (CME)**

**Continuing medical education** consists of educational activities which serve to maintain, develop, or increase the knowledge, skills, and professional performance and relationships that a physician uses to provide services for patients, the public, or the profession.

**Jagannath Gupta Institute of Medical Sciences**, private Medical College at Budge Budge work with the departments, individual faculty members and affiliated/community organizations to develop programming in the areas of primary care, specialty and subspecialty topics in medicine and surgery.

The lectures and activities focus on professional responsibilities related to patient safety and advocacy, new technologies, research, health care policy, ethics and compliance. The content is based on the best evidence currently available and is free of commercial interest and bias.

This course focuses on the acutely ill surgical patient, with in-depth information on emergency general surgery, surgical critical care and trauma care. Available in online, video and audio formats.

Throughout the year, the Department invites lecturers to speak at various functions.

A Demo Tutorial Classes by faculties was held, in Month of July at Jagannath Gupta Institute of Medical Sciences, Ground Floor, Lecture Hall, College Building at 12.30 pm.

The Office of CME is available to answer questions and assist with aspects of both conference/course planning and the CME application procedure. Questions should be directed to the CME Office: +91 9051323232
